DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. The application has been amended as follows:

IN THE SPECIFICATIONS:

- Page 14, line 20: "capacitance" has been replaced with -- impedance --.

IN THE DRAWINGS:

In FIG. 12:

- "SENCE" near the bottom on the left has been replaced with -- SENSOR --.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

With regard to claims 1 and 7, the prior art does not teach or render obvious the combinations as claimed hybrid type sensor for detecting high frequency partial discharge of a power device including:

Art Unit: 2858

- A first impedance forming unit for forming a first path that allows a low frequency signal to pass therethrough;
- A second impedance forming unit for forming a second path that allows a high frequency partial discharge current to pass therethrough; and
- A detecting unit connected in series between the second impedance forming unit and the second measurement terminal to convert an amount of the high frequency partial discharge current passing through the second path into measurement signals having a predetermined shape.

With regard to claims 13-24, the prior art does not teach or render obvious the combinations as claimed method of detecting an amount of partial discharge using the hybrid sensor having the characteristics as shown above and including:

- Obtaining the amount of discharge x from an output voltage y output from a detecting unit of the high frequency partial discharge detecting sensor using the following equation:

$$y = 3.4877x + 3.0437 .$$

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
